Duties: Helping Patrons by assisting with customer service. Checking in and returning books perform and organize administrative duties within an office setting including multitasking. Efficiently schedule meetings and coordinate mail delivery. Answering phones, managing databases, creating spreadsheets, and generating reports. Daily usage of common office equipment.

**Wal-Mart,** Lubbock, TX — *Garden Center Department – Sales Associate*

July 2012 - April 2015

Duties: Assisting customer needs. Stocking designated departments and taking directions from management. Working with a flexible schedule and reporting when needed.

## PROJECTS

**Project Name** — *Capstone Project – MyRadio App*

I would like to present my Capstone Project that I completed in my 421.4 Angular Front-End cohort class. I wanted to present this Radio App to focus on the Lubbock Radio station market Apps. I would like to take this opportunity to give out users a way to listen to their favorite Lubbock Radio Station, and how to add it on the webpage.
